

## **DEPARTMENT OF MEDICAL ASSISTANCE SERVICES EMPLOYMENT OPPORTUNITY**

This Agency is charged with ensuring proper **MEDICAID** services to qualified recipients. Please visit our website and the Commonwealth of Virginia's website referenced below for additional information and qualifications.

### **CHIEF MEDICAL OFFICER**

Role Title: Physician Manager II

Position #00519

Pay Band 8 Hiring Range: \$124,128 - \$225,000

**Closing Date: November 23, 2015**

The Department of Medical Assistance Services (DMAS) seeks a Chief Medical Officer (CMO) to provide senior level leadership in support of the Agency's mission and in advancing the quality of care provided to the Commonwealth's Medicaid and FAMIS beneficiaries while promoting the effective and efficient delivery of that care. The CMO is responsible for the development and implementation of clinical guidelines, procedures, standards and controls for the Virginia Medicaid program, which serves over 1 million Virginians. This position advises the Executive Management Team on strategic policy initiatives which will improve patient outcomes and reduce the cost of care, and will serve as a consultant and participant internally within DMAS for other initiatives that require medical and health technology expertise. Applicants for this position must have completed medical school and an approved residency in an appropriate area of medicine, including but not limited to Family Practice, Pediatrics, General Medicine, or Internal Medicine. Requires a current medical license to practice in the Commonwealth of Virginia and Board Certification or eligibility for Board Certification in an appropriate area of medicine with extensive years of clinical experience. Must have a working knowledge of the medical needs of the Medicaid population, preferably based on several years of clinical practice serving Medicaid beneficiaries, as well as a working knowledge of the Medicaid/CHIP programs, managed care delivery systems, and the assessment of quality through metrics. Requires demonstrated ability to work independently and in collaboration with professional staff and to serve effectively as both a member and/or a leader of multi-disciplinary teams. Knowledge of state and federal laws, regulations, policies and approval processes regarding the Medicaid and CHIP programs is preferred, as well as experience in the assessment of medical necessity for services. Experience working collaboratively with organizational leadership and supervising professional level staff is preferred. The ability to plan, organize, develop work plans, and monitor progress to ensure timely implementation of complex initiatives to meet agency goals is also preferred. Experience with developing policy recommendations, based on comprehensive research and analysis, and knowledge of current payment and delivery system reform efforts among private and/or government systems of care is a plus. **Pursuant to Sections 2.2-3115 and 2.22-3115 of the Code of Virginia, this position has been designated to file a Statement of Economic Interests Form at the time of employment and semi-annually thereafter.**

### **ONLINE STATE APPLICATION REQUIRED**
